Re: Party Elections

Dear Sir:

This is to formally advise you that the Joint Boards of Elections on March 18, 2016 decided that the Election System of the Virgin Islands will not be conducting any elections for party offices during the Primary Election on August 8, 2016. The Primary will be solely for nominees for public offices to include, senatorial offices, delegate to congress and for the boards of elections and education. Thus, each political party is free to develop and determine by what process you will elect your various party officers or officials.

The Election System is ready and willing to assist the parties with developing and conducting any process you choose. If you have any questions or concerns you can contact Mrs. Caroline Fawkes, our Supervisor of Elections.

Sincerely,

Arturo Watlington Jr.
Joint Boards Chair
